

Dear Judge Kids Letters To The Judge

In this unique, profoundly inspirational memoir, Divorce Court star Judge Lynn Toler shares her mother's wisdom for learning to conquer anger and become immune to insult. Toler credits her mother's "rules" for life – a life that saw her grow up the daughter of a poor teen mother and endure a husband who suffered mental illness and alcoholism – with providing the grounding for her own success and happiness. Toler shows how the mindset of "a black woman who knew how to make things work" taught her the power of knowing how to manage one's emotional business—lessons that this book offers in wrenching stories written in spare and graceful prose. My Mother's Rules is an unforgettable book that will captivate readers with its illustrations of how to rise above the most difficult circumstances and find peace and success in life.

"Incredible and searing." --Nic Stone, #1 New York Times bestselling author of Dear Martin The Hate U Give meets Just Mercy in this unflinching yet uplifting first novel that explores the racist injustices in the American justice system. Every week, seventeen-year-old Tracy Beaumont writes letters to Innocence X, asking the organization to help her father, an innocent Black man on death row. After seven years, Tracy is running out of time--her dad has only 267 days left. Then the unthinkable happens. The police arrive in the night, and Tracy's older brother, Jamal, goes from being a bright, promising track star to a "thug" on the run, accused of killing a white girl. Determined to save her brother, Tracy investigates what really happened between Jamal and Angela down at the Pike. But will Tracy and her family survive the uncovering of the skeletons of their Texas town's racist history that still haunt the present? Fans of Nic Stone, Tiffany D. Jackson, and Jason Reynolds won't want to miss this provocative and gripping debut.

For decades, Life and Loss has been the book clinicians have relied on for a full and nuanced presentation of the many issues with which grieving children grapple, as well as an honest exploration of the interrelationship between unresolved grief, educational success, and responsible citizenry. This classic edition, which includes a new preface from the author, brings this exploration firmly into the twenty-first century and makes a convincing case that children's grief is no longer restricted only to loss-identified children. Children's grief is now endemic; it is global. Life and Loss is not just the book mental health professionals need to understand grief in the twenty-first century—it's the book they need to work with grief in a practical and constructive way.

Dear JudgeKid's Letters to the Judge

Every day children exiled to prison are exposed to abusive and neglectful treatment, yet their plight is hidden. Based on wide-ranging research and first-person interviews, this passionately argued book presents the shocking truth about the lives and deaths of children in custody. Drawing on human rights legislation and progress in the care and treatment of vulnerable children elsewhere, it outlines the harsh realities of penal child custody including hunger, denial of fresh air, cramped and dirty cells, strip-searching, segregation, the authorised infliction of severe pain, uncivilised conditions for suicidal children and ever-present violence and intimidation. The issues are explored through the lens of protection, not punishment, and the author finds there can be only one conclusion: child prisons must close. Providing a compelling manifesto for urgent and radical change, this book should be read by everyone who cares about child protection and human rights.

New Cover; Oh, be careful as you judge Emma, dear reader! Few characters in Church history are as misunderstood as Emma Smith. a member of the Church from the beginning and a staunch supporter of her husband through his trials and eventual death, Emma lived a difficult life, yet many wonder how she could have turned her back on the beliefs that she held so strongly and suffered so much for. Judge Me, Dear Reader is the story of Emma, one of the greatest champions - and most criticized members - of the Church of Jesus Christ of Latter-day Saints. By showing Emma in a more sympathetic light, the author reminds each of us that Emma - and everyone else - will be judged according to the desires of their heart by the only one who can see things clearly: the Lord. While presiding over the Nauvoo mission, Erwin E. Wirkus developed an interest in Emma's story. He writes, I find few women who were asked to go through as such hardship, heartache, and tragedy as did Emma Smith. with his unique understanding, Wirkus wrote this historical novel from Emma's perspective to give readers a clearer picture of the joys and sorrows she experienced throughout her life.

When Duncan arrives at school one morning, he finds a stack of letters, one from each of his crayons, complaining about how he uses them. Kids can imagine their own conversations with crayons with this picture book by Daywalt and "New York Times"-bestselling illustrator Jeffers. Full color.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Collects top-selected postings on life and relationships from The Rumpus' popular "Dear Sugar" online column, sharing recommendations on everything from infidelity and grief to marital boredom and financial hardships. Original. 40,000 first printing.

Hold your little one close as you celebrate your love for one another. This exquisitely illustrated book honors the wonder of childhood, dreams of who your little one will someday

become, and marvels at all that God has in store. Amy Kavelaris's signature flower-crown art and poetic writing invite you and your child to enjoy peaceful moments before bed with delightful parent-and-child animal pairs. Good Night, My Darling Dear makes an excellent baby shower gift or display book in a new nursery. Its keepsake quality also makes it a wonderful way to celebrate an adoption or birth announcement with a friend or grandparents. This whimsical and heartwarming picture book calls you to enjoy the beauty of God's artistry across the skies and in the child resting in your arms.

If you have recently gone through a divorce, you might have unresolved feelings of anger toward your ex spouse; find yourself reeling from past betrayals both big and small; become stressed when you think about the legal and emotional ramifications of the divorce; or you may even experience symptoms of depression. You are not alone, and there are ways you can start to heal. The Divorce Recovery Workbook offers a unique approach using mindfulness and positive psychology to help you cope with these negative emotions so that you can start to rebuild your life. You'll learn powerful practices based in self-compassion to help you heal, forgive, and form new, loving relationships. The book also includes helpful exercises and tips for managing a difficult co-parenting relationship. If you've gone through divorce and are struggling to move on, there comes a moment when you must make a choice. You can let the difficult situation define who you are, or you can use it as a jumping off point for making radical changes in your life—positive changes that will leave you stronger and happier than ever before! This workbook will help you start.

#1 NEW YORK TIMES BESTSELLER • WILLIAM C. MORRIS AWARD FINALIST • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME After a traffic stop turns violent at the hands of the police, a young Black teen grapples with racism—and what it means for his future. Critically acclaimed author Nic Stone boldly tackles America's troubled history with race relations in her gripping debut novel. "Raw and gripping." –JASON REYNOLDS, #1 New York Times bestselling co-author of *Stamped: Racism, Anti-Racism, and You* Justyce is a good kid, an honor student, and always there to help a friend—but none of that matters to the police officer who just put him in handcuffs without cause. When faced with injustice, Justyce looks to the teachings of Dr. Martin Luther King Jr. for answers. But do they hold up anymore? He starts a journal to Dr. King to find out. Then comes the day Justyce and a friend spark the fury of an off-duty cop. Words fly, shots are fired, and the boys get caught in the crosshairs. But in the media fallout, it's Justyce who is under attack. "A must-read!" –ANGIE THOMAS, #1 New York Times bestselling author of *The Hate U Give* "Powerful, wrenching." –JOHN GREEN, #1 New York Times bestselling author of *Turtles All the Way Down*

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more... Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

FEATURED ON THE COVER OF TIME MAGAZINE AS A 2021 NEXT GENERATION LEADER "A once-in-a-generation voice." – Vulture "One of our greatest living writers." – Shondaland A full-throated and provocative memoir in letters from the New York Times bestselling author, "a dazzling literary talent whose works cut to the quick of the spiritual self." —Esquire In three critically acclaimed novels, Akwaeke Emezi has introduced readers to a landscape marked by familial tensions, Igbo belief systems, and a boundless search for what it means to be free. Now, in this extraordinary memoir, the bestselling author of *The Death of Vivek Oji* reveals the harrowing yet resolute truths of their own life. Through candid, intimate correspondence with friends, lovers, and family, Emezi traces the unfolding of a self and the unforgettable journey of a creative spirit stepping into power in the human world. Their story weaves through transformative decisions about their gender and body, their precipitous path to success as a writer, and the turmoil of relationships on an emotional, romantic, and spiritual plane, culminating in a book that is as tender as it is brutal. Electrifying and inspiring, animated by the same voracious intelligence that distinguishes their fiction, *Dear Senthurán* is a revelatory account of storytelling, self, and survival.

'An ode to the ocean, and the generations of women drawn to the waves or left waiting on the shore' Guardian In *Salt On Your Tongue*, Charlotte Runcie explores what the sea means to us, and particularly what it has meant to women through the ages. In mesmerising prose, she explores how the sea has inspired, fascinated and terrified us, and how she herself fell in love with the deep blue. This book is a walk on the beach with Turner, with Shakespeare, with the Romantic Poets and shanty-singers. It's an ode to our oceans – to the sailors who brave their treacherous waters, to the women who lost their loved ones to the waves, to the creatures that dwell in their depths, to beachcombers,

swimmers, seabirds and mermaids. Navigating through ancient Greek myths, poetry, shipwrecks and Scottish folktales, Salt On Your Tongue is about how the wild untameable waves can help us understand what it means to be human.

Letters from children to the judge in their parent's child custody cases.

Twelve-year-old Sarojini's best friend, Amir, might not be her best friend any more. Ever since Amir moved out of the basti and started going to a posh private school, it seems like he and Sarojini have nothing in common. Then Sarojini finds out about the Right to Education, a law that might help her get a free seat at Amir's school – or, better yet, convince him to come back to a new and improved version of the government school they went to together. As she struggles to keep her best friend, Sarojini gets help from some unexpected characters, including Deepti, a feisty classmate who lives at a construction site; Vimala Madam, a human rights lawyer who might also be an evil genius; and Mrs. Sarojini Naidu, a long-dead freedom fighter who becomes Sarojini's secret pen pal. Told through letters to Mrs. Naidu, this is the story of how Sarojini learns to fight – for her friendship, her family, and her future. Published by Zubaan.

NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves.

Look for Hanya Yanagihara's new novel, To Paradise, coming in January 2022.

This book is about a woman who had come to America from Kashmir India. She had no knowledge about American culture or American Justice System. She was married in India and her husband brought her to America. In America her husband started abusing her. Being culturally abound, she kept taking abuse on daily basis and kept lying about her bruises and cuts to those who were asking her questions about her injuries. Abuse got worst to the extent that one day her husband tried to kill her. She gained her consciousness after couple of hours when her husband decided to dump her body in the park. Somehow in the morning she managed to escape with her two children. She went to a woman's shelter where she lived for six months. In the shelter they insisted that she had to go to the court to get restraining order for her safety. In that process, her children were taken by the court and were given to that abusive man from whom they had a narrow escape. She was forced to pay child support when she had not taken even a one cent from her home or from her husband after she left. Her two children were given to their father because she was going to school. Judge punished her and her two children for trying to establish their life. Her Children suffered the most because of the Justice System. I wrote this book for two reasons One reason is to tell my children especially my son that I am very sorry for taking my case to American Justice System because his father has kept him in fear. Even my son is adult now but his father is still treating my son like he was treating me and my son is kept in a lot of fear, stress and extreme tension. His father didn't let him complete his education. If he had encouraged my son to complete his education, then he wouldn't be able to control my son's life. That is tearing my heart every day. And second reason is that I want to help a Battered Woman and their children by telling them my story. I was a very private person but that didn't help me. Every battered woman of this country should know that when a man hit his wife is not love. It is a danger sign figure out on time about safety zones for self and for children. My story will guide them to be strong enough to help their children.

Children's letters to the judge in their parent's child custody case.

Dear Sonali, is a passion project from the TV's Divorce Court Host. Seeking to share her mother's wisdom with a daughter of her own, this mother of six boys has written letters for young women to help them grow, conquer and thrive. From money to men, to passion and profession Judge Lynn gives her best advice From he particular point of view. At once, practical, methodical and motivational, Judge Lynn shares the best she has with all of the women that call her The Auntie in Their Head or Mom2.

A tour-de-force by rising indy comics star Gene Yang, American Born Chinese tells the story of three apparently unrelated characters: Jin Wang, who moves to a new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King, subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable. American Born Chinese is an amazing ride, all the way up to the astonishing climax. American Born Chinese is a 2006 National Book Award Finalist for Young People's Literature, the winner of the 2007 Eisner Award for Best Graphic Album: New, an Eisner Award nominee for Best Coloring and a 2007 Bank Street - Best Children's Book of the Year. This title has Common Core Connections

? I'm Hurting, Can Anybody Hear Me? For Parent's of Divorce or Separation, by Vickie Gunnells-Hodge, is a one-month journal with Scripture references to guide each parent through a thorough analysis of his or her relationship from beginning to end, addressing such things as the doubt and confusion for parent and child alike, and ending with each parent answering some of their own 'whys' and 'why nots,' while providing gentle instruction of how to protect and comfort their child.

A young girl tries everything she can think of to keep her parents from getting a divorce, but with the help of her school counselor, she comes to realize that the divorce is not her fault.

I didn't expect to open my mailbox one summer morning and find an old letter stuffed between bills and a supermarket flyer. Penned in familiar handwriting, dated over fifteen years ago, the letter was written to me after my first date with the man I'll never forget. Week after week, new letters appear. Each marks an event in the history of our epic love affair. Each heals a wound. Each holds the confession from the one who still owns my heart. The letters are full of promise, hope and love, but truth be told, I wish I could unread them all. Because the man who wrote these letters is not the one sending them. ***** This is a book you'll want to cancel plans to finish reading, a book that'll steal your heart and make you believe it's real. It's a beautiful, heart-warming second chance romance and the kind of story that you'll want to tell all your friends to read. So this is me telling

you, my lovely book friends, to READ THIS BOOK!!! – Aestas Book Blog “Tender and poignant, this is a second-chance romance you shouldn’t miss.” – Vilma Iris “This is one of those perfectly written love stories that is both romantic and heartbreaking all at once, and I simply adored every single thing about it.” - Natasha is a Book Junkie “Devney Perry has this unique ability of writing such beautiful stories with incredible heartfelt emotion and romance. Her style of writing is flawless, her stories enthralling and emotionally haunting at times.” – Totally Booked Blog ***** For fans of: Nora Roberts, Kristen Ashley, Sarina Bowen, Vi Keeland, Susan Stoker, Tessa Bailey, Helena Hunting, Elle Kennedy, Toni Aleo, Kristen Callihan, LJ Shen, Mona Kasten, Corinne Michaels, Jana Aston, Karina Halle, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Piper Rayne, Suzanne Brockmann, Helen Hoang, Christina Lauren, Kristan Higgins, Sally Thorne, Penelope Sky, Penelope Ward, Debbie Macomber, Maisey Yates, Sarah Mayberry, Lauren Blakely, Susan Mallery, Penny Reid, Julia Kent, Kelly Jamieson, Melanie Harlow, Kendall Ryan, Kennedy Ryan, Helen Hardt, Meghan March, Meli Raine, Sylvia Day, Chelle Bliss, Brenda Rothert, Natasha Madison, Kylie Scott, Sloane Kennedy, Penelope Sky, K.A. A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

The Anti-Rules* (*Now That You've Got Him, How Do You Get Rid Of Him) Compiled & Written By Barbara L.S. Donahue 60% of all first marriages end in divorce. 45% of divorced people choose to re-marry and of those marriages, 85% also end in divorce. This book is not about straightforward negotiations or reconciliation. This book is for those of "us" who have tried to conventionally go along with the system, only to realize later, that the system doesn't work. It is a book for people who have already exhausted all other remedies and who are ready to do whatever it takes to persevere and win. This is divorce-gorilla warfare style!

According to the U.S. Census Bureau, the average woman's family income drops by 37% after divorce. Do you know what assets or how much alimony or child support you are entitled to receive? Has your spouse threatened to leave you penniless? Have you spoken to an attorney and gotten sticker-shock? Do you earn too much money to qualify for free legal aid? This book was written to help the low- and moderate-income women the legal system has abandoned by walking a hypothetical self-represented woman step-by-step through the divorce process, including: -- How to prepare financially to stand on your own two feet; -- What the court can, and cannot do for you; -- 'Legwork' that can save you money on legal fees and help you get a better outcome; -- How much child support and alimony you might be entitled to receive; -- Custody disputes ... 'fatal flaws' and how you can fix them. -- How to show a judge that your spouse is lying about their assets and income; -- What property you are entitled to receive ... and should ask for; -- Ways vindictive ex-spouses can hide money ... and how to prove they are lying; -- Real life dirty tricks, traps, and pitfalls highlighted so you can avoid them; -- How to find a good attorney (if you can afford one), save money on legal fees, or combine “a la carte” legal advice with your own efforts if you can't afford to hire a full-service attorney; -- Mediation and court-connected Alternative Dispute Resolution ... benefits and pitfalls; -- How to dig up information your spouse doesn't want you to know (discovery) like an attorney; -- Common court forms and how to fill them out; -- Separation Agreements dissected and clarified; including two blank fill-in-the form boilerplates which you can download and use in your own divorce; -- Sample discovery requests and motions – we'll dissect each motion and show what information you can use it to get; -- Sample hearing scripts for common court hearings (including Restraining Order hearings, Temporary Order hearings, Custody Dispute hearings, Contempt hearings, and parts of a mock-Trial); -- Restraining orders ... how to get one ... how to keep one; Filled with helpful examples of common court forms and legal pleadings, this book will introduce you to everything you NEVER wanted to know about divorce ... but need to come up to speed ... FAST!!! This is the only self-help legal book written by a woman who was once in your shoes who later went back to school to become an attorney! BONUS: links to download, edit and print blank Separation Agreement forms. The 6th Edition has been completely updated with the latest case law, including ways to sensitively handle a Christian divorce, caveats regarding same-sex couple custody disputes post-Obergefell, and a completely rewritten Separation Agreement chapter with suggested clauses for unusual situations such as extraordinary school fees, private school or homeschooling. Book 1 of the "Divorce Bootcamp Self-Help Legal series" . KIRKUS: “A solid, informative self-help divorce guide. This exhaustive...guide covers a range of topics related to contested and uncontested divorces, including how to gather documentation of assets, estimate child support and alimony, and even, if necessary, obtain restraining orders. She discusses many topics related to asset division and child custody, including marital debt and visitation rights. The book is aimed at the broadest possible audience, but also discusses variations in state laws.” (Review of the 5th Edition). . Legal Disclaimer: This book is not meant to constitute legal advice. The author is licensed to practice law in Massachusetts. Links have been provided to direct women to their local court resources in all 50 states, but the court forms, case histories and property division examples used are loosely based upon Massachusetts examples. This book is NOT a replacement for consultation with a licensed local attorney.

A collection of literary letters and mementos on the art of remembering across generations. For poet Victoria Chang, memory “isn’t something that blooms, but something that bleeds internally.” It is willed, summoned, and dragged to the surface. The remembrances in this collection of letters are founded in the fragments of stories her mother shared

reluctantly, and the silences of her father, who first would not and then could not share more. They are whittled and sculpted from an archive of family relics: a marriage license, a letter, a visa petition, a photograph. And, just as often, they are built on the questions that can no longer be answered. Dear Memory is not a transcription but a process of simultaneously shaping and being shaped, knowing that when a writer dips their pen into history, what emerges is poetry. In carefully crafted missives on trauma and loss, on being American and Chinese, Victoria Chang shows how grief can ignite a longing to know yourself. In letters to family, past teachers, and fellow poets, as the imagination, Dear Memory offers a model for what it looks like to find ourselves in our histories.

Protecting My Child tells the story of Miriam, a young woman who falls in love and later discovers that the man she loves is a stranger with a terrible, destructive secret that threatens not only her life, but the life of their son. For years to come, Miriam will experience an abusive relationship, a bitter divorce, and the turmoil of a court system that fails to do what's best for herself or her son. Beaten, desperate, and terrified, Miriam takes drastic action... action so drastic that it earns her a place on the FBI's Most Wanted List. Through epic battles with a corrupt judiciary and personal strife, Miriam will discover a strength she didn't know she had, and find connection with a God she never before believed in. Through her remarkable story we see the lengths of a mother's love and the triumph of the human spirit over adversity.

DATE SMARTER, MAKE BETTER DECISIONS IN LOVE, AND ACHIEVE THE RELATIONSHIP YOU DESERVE... IT ALL STARTS WITH NOT SETTling! By day, Faith Jenkins is the host of the nationally syndicated TV show Divorce Court; by night, she's a happily married newlywed who navigated these dating streets for years before learning how to attract the love of her dreams. When she turned 35 without a wedding ring in sight, like most women, she started getting tons of questions about not being married. But she made a decision: I. Will. Not. Settle. As an attorney and arbitrator, Faith has presided over hundreds of cases, and has helped couples avoid and resolve a wealth of drama. And she's seen it all! In Sis, Don't Settle, she's gathered an arsenal of love, wisdom and advice for women on how to play it smart. Modern culture would have women believe they can't have it all—and be smart, successful, strong women with authentic love to boot. Wrong. Told in her signature style—sometimes salty and sometimes sweet—Faith provides real solutions that will teach you how to thrive in relationships while avoiding common missteps and pitfalls. She delivers it straight, with no chaser, to show us how to level up, and reminds you that how you live single will set the tone for your success in relationships. Smart, illuminating, and, often laugh-out-loud funny, Sis, Don't Settle is the essential playbook that will help you build your confidence, generate better results in love, and land a high-value relationship once and for all. You'll find tips on topics like: Strong Independent Women...and the Men Who Love Them What's Worse than a Bad Relationship? Overextending Your Stay in One Becoming the Right Person to Attract the Right Person How to Release Trash Subconscious Beliefs that Keep You Settling And much more! Whether you're single, divorced, or in a situationship, Sis, Don't Settle reveals the direction and guidance you need to navigate love and take back your power.

"A Jewish girl decides that she wants to celebrate Christmas, so she writes a letter to Santa."--

From the show's creators comes the groundbreaking, bestselling novel inspired by the hit Broadway show Dear Evan Hansen. Dear Evan Hansen, Today's going to be an amazing day and here's why... When a letter that was never meant to be seen by anyone draws high school senior Evan Hansen into a family's grief over the loss of their son, he is given the chance of a lifetime: to belong. He just has to stick to a lie he never meant to tell, that the notoriously troubled Connor Murphy was his secret best friend. Suddenly, Evan isn't invisible anymore--even to the girl of his dreams. And Connor Murphy's parents, with their beautiful home on the other side of town, have taken him in like he was their own, desperate to know more about their enigmatic son from his closest friend. As Evan gets pulled deeper into their swirl of anger, regret, and confusion, he knows that what he's doing can't be right, but if he's helping people, how wrong can it be? No longer tangled in his once-incapacitating anxiety, this new Evan has a purpose. And a website. He's confident. He's a viral phenomenon. Every day is amazing. Until everything is in danger of unraveling and he comes face to face with his greatest obstacle: himself. A simple lie leads to complicated truths in this big-hearted coming-of-age story of grief, authenticity and the struggle to belong in an age of instant connectivity and profound isolation.

At first, Trisha loves school, but her difficulty learning to read makes her feel dumb, until, in the fifth grade, a new teacher helps her understand and overcome her problem. Win Your Child Custody War, is impressive in both its depth and its breadth. It is a practical "how-to" book, but it is extremely well researched and covers every imaginable custodial issue. No one involved in a custodial battle should enter the courtroom without first reading it. With this book everybody wins--mothers, fathers, and especially the children. The use of the military metaphor throughout (including a photo of a child in a Marine Corps dress uniform on the cover) is in recognition of two salient facts about custody disputes: they can be psychologically as brutal as war; and the stakes can be extremely high. Yet, the book demonstrates with details and documents, that negotiations are possible, and if the welfare of the child has the highest priority, both sides can win. I would advise you, however, NOT to go into court without having first read this remarkable book. Over the course of 640 triple-columned pages, Hardwick shares her personal experience and her painfully accumulated knowledge on just about every conceivable aspect of the child custody wars while guiding the reader toward a powerful strategy. If you don't have this book you are likely to be overmatched; indeed if your attorney doesn't have this book, he or she is likely to be overmatched. In fact, I would say that the first thing you should do after reading the book yourself, is buy a copy for your attorney and somehow persuade him or her to open the pages and to start reading--anywhere in the book. I promise you your attorney will learn facts, ideas, strategies new to him or her. The expanse and depth of the material presented here quite frankly amazed me. This extensive tome constitutes an entire course not only in child custody disputes but in human psychology, parenting, and the law itself. Some items: There are 91 pages citing, summarizing, quoting from, and referencing relevant cases and decisions. There is a detailed guide on how

to negotiate and what conflict resolution is all about;a chapter on how to handle discovery and depositions; another on judges, what to expect from them and how you might get a good one or avoid a bad one; there's guidance on what to expect in court and how to present yourself and your case; how to select an attorney; what your case is likely to cost and how to discover the assets of your adversaries, including (this floored me) hidden assets such as "Overpayments to the IRS". You will learn about how much you can expect to pay or receive in child support, and again how to gauge assets, including hidden income such as "excessive deductions on paychecks" --a nice dodge which amounts to loaning Uncle Sam the money until tax time! You will also: --Discover how to handle psychologists and other "evaluators" and influence them to your advantage. For example beware of the "halo effect." (Have your side evaluated by the psychologist first to secure that effect.) --Understand what psychological tests can be given and what they can mean in the dispute. Sometimes the judge makes the court-ordered decision of a professional binding, so that "you have in fact a new judge." --Appreciate the role of other experts, what they can and cannot do to further your case, and how to evaluate and get a reliable expert who will make an effective witness.--Learn the value of keeping a detailed log of everything pertaining to your case and its possible use as documentation. Hardwick presents this with some tips on how e-mail and computer files can come back to haunt you if you share the wrong information, even anonymously or through the assumption of an Internet moniker.--Become knowledgeable about lie detectors and their use and misuse and the reach of DNA testing.--Know which problems or accusations are issues and which are non-issues in the eyes of the law. For example, child endangerment is an issue; a "blended" family is not. Physical abuse is an issue; false accusations may or may not be. --Be introduced to the infamous Parental Alienation Syndrome (PAS) in which one parent tries to alienate the child from the other parent through lies and distortions. PAS includes "The Grand Lie" in which one side falsely accuses the other of child sexual abuse, a charge that is hard to become completely free of, regardless of the truth of the accusation.Hardwick even includes some humor with eleven ways on how to know "You've Been in Court Too Long" (from Dean Hughson). If this isn't enough there is a presentation of ingrained psychological strategies that you might use or encounter such as the famous "Tit for Tat" from game theory or the sneaky "Tranquilizer" who lulls you to inattention and then takes advantage.There is a Glossary of Terms and a detailed Index as well as a lot information on resources throughout. There's even a chapter on lies and how to correct them (should you be the liar!).The mass of information and the sharp, sound guidance contained herein really amount to a post graduate course in child custody disputes. Even so I was almost as much impressed with Hardwick's assertive, no-nonsense writing style and organization that managed to painlessly inform while emphasizing a positive approach.

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.
