Esistono davvero i fantasmi? C'è stato un tempo in cui Snow Black avrebbe liquidato la questione con un'occhiataccia. Poi un giorno la detective più famosa del web si è svegliata in un luogo buio senza più un corpo né ricordi precisi e ha capito che il fantasma era lei, intrappolato dentro Internet. È l'inizio dell'indagine più difficile che abbia mai affrontato, quella sulla sua morte. Per fortuna un fantasma del web ha poteri sorprendenti, come la rete. Agganciandosi al wi-fi di una villetta di Blooming, Snow entra in contatto con il mondo reale e trova due alleati, i fratelli Ella e Kennedy Davis. Insieme a loro, scopre che il suo ultimo caso era ambientato proprio a Blooming e che, sempre da quelle parti, stanno accadendo cose molto strane: occhi piangenti dipinti ovunque e ragazzi che scompaiono. Troppe coincidenze per Snow, che alle coincidenze non ha mai creduto...

Tis the season to be jolly -- and holey cheese was I trying! But on my way to New York City to meet my family for the holidays, my luggage got switched with another mouse's... Oh, rats! Now I had to scurry all over the Big Apple trying to track down that mouse... and all my Christmas presents! And I, Geronimo Stilton, am not a big cheese when it comes to getting around the Big Apple!

A one-of-a-kind kung-fu action epic directed by the inimitable Kaare Andrews! Danny Rand, Iron Fist, is haunted by the consequences of choosing death over life. But when he receives a message from his mystical homeland of K'un-Lun, he must return and relive his blood-soaked origin of betrayal and vengeance! The mystical city will be reduced to ruins, while Rand Tower will face a hostile takeover -very hostile! With the wolves at the door, and the villain behind it all terribly close to Danny's heart, will he be broken beyond repair? A teenage boy suffering from curvature of the spine begins swimming every week at the local pool, at the repeated request of his chiropractor. In the interior and echoing world of the swimming pool, surrounded by anonymous bodies and in between lengths, he becomes acquainted with a girl who agrees to give him pointers on his technique. The French original won the Essentiel Revelation prize at the Festival d'Angouleme in January 2009. The author was 25 years old at the time."

Imagine if you will, a satirical retelling of Dante Alighieri's Inferno starring Mickey Mouse. This is the very first of the world-famous, er, famous Great Parodies featuring classic Disney stars in outrageous spoofs of the world's greatest stories.

This meticulously researched and eminently readable study considers the economic, political, and religious factors that led Shaolin monks to disregard the Buddhist prohibition against violence and instead create fighting techniques that by the 21st century have spread throughout the world.

"It is 1483, and Sir Thomas Lemuel Hawke, a Cornish knight, is about to ride into battle. On the eve of his departure, he composes a letter to his four young children, consisting of twenty virtues that provide instruction on how to live a noble life, and on all the lessons, large and small, that he might have imparted to them himself were he not

expecting to die on the battlefield. "Why am I alive? Where was I before I was born? What will happen to me when I die? Whatever well our lives are drawn from, it is deep, wild, mysterious, and unknowable..." Rules for a Knight is many things: a code of ethics; an intimate record of a lifelong quest; a careful recounting of a knight's hardest won lessons, deepest aspirations, and most richly instructive failures; and an artifact, a relic of a father's exquisite love. Drawing on the ancient teachings of Eastern and Western philosophy and religion, on literature, and poetry, and on the great spiritual and political writings of our time, Ethan Hawke has written a parable that--in the story of a young man's journey toward a life of authenticity and meaning--captures the instinctive movement of the heart toward truth and beauty. Rules for a Knight has the appeal of Arthurian legend; the economy of Aesop; and the vitality, intelligence, and risk-taking that could only emanate from Ethan Hawke"--

(Applause Books). "These are memoirs of a kid born in New York City in 1925. His dad, George Senior, was a pianist, composer, and orchestra leader at Proctor's Vaudeville Theatre, and his mother, Helen, played in a classic dance troupe. Hanky-panky ensued. They married, and I soon was the result... I write like I talk. A long time ago I tried making 'talking and telling the truth' one and the same. That isn't just difficult; it means painfully reviewing things you've been led to believe since you were a child. That's very hard to do. Like many, I have marched along adhering to conventions (sex, color, church, party, gang) without examination. There's a wonderful, protective 'togetherness'

in that anonymity. You obey or are damned, less joined together than stuck together. You become an echo rather than a voice. This book is about what happens when you stop fearing and think. I like writing, but warmed-over BS is not on the menu. You are the most important thing in life. Every phrase in the book awkward or not is how I think and question everything. I wrote every word as if we were sitting together. I want you to think, too..." George Kennedy, from the preface

Collects the artist's works, from the late 1990s to present, across the major cities of the U.K. and North America.

Andy Barber, da più di vent'anni braccio destro del procuratore distrettuale, è un uomo rispettato, un marito e un padre devoto, e ha davanti a sé una carriera sicura. Sa bene cosa può nascondere la vita di una persona, quali colpe possono essere taciute, ma la sua è un'esistenza serena e l'amore per la moglie e il figlio non ha limiti. Tutto sembra andare per il verso giusto per lui e la sua famiglia. Ma certe convinzioni a volte sono esposte ai capricci del destino o alle conseguenze di piccoli gesti. Così, un giorno, quasi per caso, piomba su di loro un'accusa inaudita: il figlio di Andy, Jacob, poco più che un bambino, viene indagato per omicidio. Un suo compagno di classe è stato accoltellato nel parco poco prima dell'inizio delle lezioni. Il ragazzo proclama la propria innocenza e Andy gli crede. Ma c'è qualcosa che non torna, l'impianto accusatorio è dannatamente convincente: e se qualcosa fosse sfuggito all'attenzione di Andy? E se i quattordici anni di vita del figlio non fossero sufficienti per capire chi è realmente? E se Jacob, suo figlio, fosse alla fine un assassino? In difesa di Jacob è un thriller che tiene col fiato sospeso, ed è anche una straordinaria radiografia dei rapporti familiari; uno specchio feroce in cui realtà e giustizia si mostrano inesorabilmente implacabili, fino alla rivelazione di una sorprendente e inaspettata verità che si svela solo all'ultima pagina.

A CasaPound, un palazzo di sei piani in via Napoleone III 8 a Roma, vivono 23 famiglie, 70 persone, di cui 12 bambini. Il simbolo di CasaPound è la tartaruga: un animale che ha la fortuna di portare sempre con sé la propria casa. Perché chiunque dovrebbe averne una. Uno dei suoi slogan è: «Forse non faremo mai la rivoluzione, ma quanto ci stiamo divertendo!». Flavio, diciotto anni, è uno dei tanti figli belli e infelici di Roma Nord, quella dei quartieri bene e del posto fisso nell'azienda di papà. Un giorno, mentre cerca di entrare senza biglietto allo stadio, viene notato dalla sicurezza e inseguito tra la folla. Flavio si salva grazie

all'aiuto di uno strano gruppo di ultras con le magliette degli Zetazeroalfa, che gli fa da scudo come fosse una grande tartaruga. In mezzo a loro un volto conosciuto: l'ha già visto davanti a scuola, ma quella volta c'era quasi scappata la rissa. Adesso invece Giorgio, bruno e massiccio, figlio della Roma popolare, lo accoglie nel suo mondo, quello di una comunità che vive in un palazzo occupato all'Esquilino. "CasaPound" c'è scritto sulla facciata: è il cuore nero della capitale. Ecco la casa che Flavio cercava, ecco gli amici da sempre desiderati, e la felicità. Nei mesi successivi lui e Giorgio diventeranno carismatici militanti del Blocco Studentesco, l'organizzazione studentesca di CasaPound, e scopriranno la gioia di sentirsi fratelli, uniti nel medesimo destino, nelle lotte politiche e di strada. Fino alla notte in cui Giorgio viene arrestato: ha dato una coltellata a un pusher, dicono. Ma il suo avvocato difensore, conoscendo bene la realtà di CasaPound, sa che la verità è un'altra. Nessun dolore è una grande storia d'amicizia, è il ritratto di una città a più facce, ma soprattutto è il primo romanzo a raccontare l'epica quotidiana di quelli che si definiscono i "fascisti del Terzo Millennio", un'officina sociale che ha radici in tutta Italia e mette in dubbio molte delle nostre certezze

A new, fully illustrated gift book commemorating the unparalleled rise, fall, and comeback of golf's greatest champion Tiger Woods turned pro at age 20 in 1996, rapidly ascending to become the No. 1 ranked player in the world at age 21 and the youngest player ever to achieve the career Grand Slam. Woods' second decade on the tour was one of reinvention, marked by injuries and personal struggles before a comeback that culminated in Woods' first major win in 11 years at the 2019 Masters. In celebration of Woods' first quarter century on the professional circuit, those moments and memories are collected in *Tiger Woods: 25 Years on the PGA Tour*. Capturing the magic of Woods' career as only *Sports Illustrated* can, this new volume includes more than 100 full-color photographs, some of which have become nearly as iconic as the man himself—from Woods' earliest days on the golf course with his father Earl to his play alongside son Charlie in 2020. This commemorative book also features *Sports Illustrated*'s best written coverage of Woods' career, including pieces by Gary Smith, Frank Deford, Steve Rushin, Alan Shipnuck, and more.

Every night, when you lie down and close your eyes, let yourself be clothed in silence and ask yourself: Am I happy? If your answer is fraught with turbulence or uneasiness, it is because something needs to change in your life. Would you dare to break the chains and attachments that stop you from being truly free? Would you like to get rid of all the masks and become an authentic person? Would you be able to leave everything to discover the greatest treasure that mankind holds: inner peace? These are the central questions that Antonio Gargallo poses and develops in a novel way. A wonderful story about a journalist called Cristina who has lost hope in life. Sadness and loneliness are so strongly embedded in her being that she even wishes she was dead, in order to stop being a spectator of her own life. That is until fate surprises her through a very special person; Naim, a psychologist from Nazareth with whom she will perform an unconventional therapy which will reveal to her the essence of truth and life; through contemplation and the psychology of the happiest man that has ever existed on the face of the Earth: Jesus of Nazareth.

Transcending sport and spectacle, all things equine and equestrian have captivated and charmed an elite global audience. Including horse racing, show-jumping, and polo, amongst other horse disciplines, this book encapsulates the glittering people, international events, fashion, and cultural impact--in such arenas as design and entertainment--that equine sports have had on the world at large. International sporting competitions featured are the Kentucky Derby in Louisville to Royal Ascot in England to Prix de l'Arc in Paris, to events in Buenos Aires, Melbourne, Hong Kong, and many others. As you flip through the pages, peek inside luxurious horse stables and equestrian castles, and marvel at the sheer glamour of such star athletes as Polo player Nacho Figueras and equestrienne Charlotte Casiraghi, the daughter of Princess Caroline of Monaco, resplendent in their riding attire.

This study of police governance draws on over ninety interviews conducted with Argentine police officers. In Argentina, a rising fear of crime has led to the politics of Seguridad, a concept that amalgamates personal safety with state security. As a new governing rationale, Seguridad is strengthening forms of police intervention that weaken the democracy. As they target crime, the police have the power to deny rights, deciding whether an individual is a citizen or a criminal suspect - the latter often being attributed to members of vulnerable groups. This study brings together key issues of governance that involve the police, democracy, and the quality of citizenship. It sheds light on how the police act as gatekeepers of citizenship and administrators of rights and law. Here, the rhetoric of Seguridad is seen as an ideological framework that masks inequality and unites "good" citizens. Seguridad shows how police practices should be part of our understanding of regimes and will appeal to anyone concerned with security forces, as well as researchers in democratic theory and Latin American politics. Il libro offre una prospettiva innovativa e condita da un po' di umorismo su quella miscela di riferimenti culturali e sociali su cui si è innestata la storia di ciascun praticante di Arti Marziali. L'Autore attraversa gli ultimi trent'anni della sua esperienza per riavvolgere il nastro e riscoprire la storia che lo ha portato fin qui. Che ha portato fin qui ciascun praticante di Arti Marziali. I miti dell'adolescenza, gli inizi e l'evoluzione della pratica e del variopinto mondo di persone di cui è fatto l'ambiente delle Arti Marziali. I rapporti con i sensei e i compagni, gli esami, le dinamiche relazionali dei praticanti nelle associazioni e sui social network. Una storia personale dell'Autore, praticante di Aikido, che riassume le storie di ogni persona che, ogni giorno, sale sul tatami del suo dojo per continuare il suo cammino.
