Sex and the City meets The Wedding Planner in The Wedding Belles, a contemporary and witty romance series about three high-powered New York City women who can plan any wedding—but their own. Alexis Morgan has spent the past eight years devoted to turning her tiny start-up into Manhattan's premiere wedding planning company, The Wedding Belles. Now that her business is thriving, it's time to turn towards her much neglected personal life, and Alexis approaches her relationships like she does everything else: with a plan. Not a part of that plan is Logan Harris, the silent partner in the Belles, and the one person who's been there for her since the very beginning. But Alexis needs someone fun, and Logan's all business, all the time—except when a late night at the office ends with an unexpected kiss that leaves the usually cool and together Alexis reeling. Logan has lusted after Alexis since the day he walked into the tiny Harlem apartment that used to double as her office. But the ambitious wedding planner has always been untouchable...until now. Alexis has made it clear that she's on the dating market—and equally clear that he's not in the running. But when Alexis finds herself in need of a date for her sister's last minute wedding in Florida, Logan knows it's the perfect time to show Alexis that there's more to him than numbers and spreadsheets—and beneath the pinstripes and glasses lies a hot-blooded heartthrob. As Florida's sultry days turn into even hotter nights, Logan's out to convince Alexis that the fling of a lifetime could just maybe turn into forever...

What doesn't kill you makes you a killer. Santino DiLustro changed me. You can't spend time in bed with the devil without getting addicted to the heat. Before him, I was a girl. Innocent and weak. Now, I'm a woman. A fighter. A killer. I'll burn the world down for him. Shatter the sky. But I will not break. No. I will rise up and destroy whoever dares to threaten what my king has built, because I am forever his queen.

Ivan Everley, 13th Baron Rothvale, would admit he's the last person on earth who should have custody over a priceless collection of art. British law affords him the title of 'Lord, ' but underneath all the trappings he's just a regular guy, despite being a world champion in archery, and certain...proclivities of a private nature. But Ivan's public celebrity is merely a sham—a carefully guarded secret borne out of the pain of betrayal. Even his cousin Ethan Blackstone doesn't know the truth behind the man he considers a brother. Lord Rothvale has a plethora of problems piled up to his aristocratic eyeballs, but that doesn't stop him from complicating his world further when a beautiful art conservationist shows up to appraise his inherited collection of paintings. Once Ivan gets a taste of Gabrielle Hargreave, mistaken identity or not, he can't think of anything but how good the green-eyed beauty felt in his arms. The chase is on, and Ivan's dominant side isn't taking 'no' for an answer—but yet, Gabrielle might just teach our discontented lord a thing or two about life, and about himself, and help them both discover the undeniable truth in what it means to find something genuinely... priceless.

Gabriel Carter is the biggest, cockiest asshole I've ever met. He's six-foot-three inches of ex-baseball player--sexy muscles and smoldering looks that turn my body into a traitorous mess. Did I mention he's also the reason business at my family's hotel is quickly going down the drain? I shouldn't want him, but try explaining that to my body. Especially after he proposes a business deal to me that will be mutually rewarding--both financially and sexually. Sleep with the enemy? Nah, I'll just marry the bastard instead. Graham Everley, Lord Rothvale meets Imogene and has many paintings commissioned of her.

I know what people say about me. Eric Callahan, ‘The Shark’. I own it. I’m a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I’ve devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that’s all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn’t mean to start flirting with her. It was a complete accident. So was continuing. I can’t resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she’s as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She’s a divorcee, I’m a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can’t help but wonder—can I let her go, or could this one be forever?

The day I turned fifteen years old I knew I loved James Blakney. There was a look in his eye that told me he’d finally noticed I existed in a realm beyond best-friend’s-much-younger-off-limits-don’t-even-think-about-it-little-sister. Call it womanly intuition, despite the fact I was barely qualified for being an actual woman at just fifteen—and only in the biological sense—but still, I knew I loved him. What I never expected from him was a proposal of marriage nearly eight years later. I know it's not supposed to be a real marriage, but James is certainly making it feel that way. He's also hiding something from me. But I've hidden the truth from him as well. Lies. So many filthy lies. ~Winter Blackstone

From New York Times bestselling author Penelope Ward, comes a new standalone novel. The one that got away. Every girl has one, right? Mine was a charming, British aristocrat who turned my world upside down one summer. From the moment I first spotted Leo in the distance through my binoculars, I'd been captivated. I certainly never expected to find a man showering outside of the property across the bay in his birthday suit. Then I noticed his housemate staring back at me with binoculars of his own—watching me watching Leo. That made for an interesting conversation starter when I inevitably ran into them. Turned out, the handsome Brits were only renting that house for the summer in my seaside town. Leo and I formed an instant connection, even though we were technically opposites by all appearances. I taught him how to dig for clams, and he taught me that not all wealthy and powerful guys are pretentious. Despite knowing he was totally wrong for me, I couldn't seem to stay away. It was a wild and crazy few months. And before I knew it, we'd fallen in love. We both had one wish: more time together. But Leo had obligations back home. He lived a life I'd never fit into. And I was going to law school. So, we decided to end it and never look back. A part of me always felt like I'd let my soulmate walk away. I believed our story was over. Until five years later when he sent me a letter that shook me to my core. I'd thought my world was turned upside down that first summer? Well, I knew nothing yet.

Winston Constantine is no prince charming... I crave him so badly I think I might be losing my mind. He's right in front of me, but he's just as remote as my dreams of getting away from my stepbrothers. I keep playing his twisted games, and I want to stay just as distant as he is. But I can't. I never could. I've fallen for him. Hopelessly. Irrevocably. But Winston isn't a lover, he's a business venture. A way for me to pay for college. A ticket out. He's never pretended to be anything other than that. I can't blame him for making me fall in love. There can be no happily ever after between a maid and a prince, no matter what the stories say.
