Janie: I didn't know he was my stepbrother, I swear. I was desperate for money because the tiny stipend from my dance school doesn't pay the bills. As a result, I stepped on stage at the club as a \*different\* type of dancer. It worked because a handsome man made it rain. He owned my curves and paid me well for the privilege. But what happens when we discover we're related? Mason: Swimming in the Olympics is stressful. As a result, I went to the club to release some tension. The curvy girl is everything I've ever dreamed of.

Janie's lush and beautiful, with a sweet smile for the ages. I paid her well for her time, and she made it worth my money. But now, the curvy girl tells me that we're related. What my stepsister doesn't realize? That it doesn't matter because I've already put my baby in her belly! Hey Readers - Mason likes them feisty and sassy, and fortunately for him, the woman of his dreams has been right under his nose this entire time. Get your paddles out because Mason and Janie are making waves, especially when there's an Olympic medal at stake! This book was originally released as Dripping in 2017 (has it really been that long?), and has been expanded and revised for your reading enjoyment. You'll love it, I promise! Xoxo, Cassie

her way out of the sheet, Britt got to her feet and clutched her head instantly. It pounded like an unsuccessful road construction project and her teeth hurt, actually ached from the hangover. Stumbling to the bathroom with annoyance, she drank water and took a shower and drank more water, chastising herself for letting it get this bad. She knew to drink water and take aspirin before bed to help curb this hideous feeling. She needed a full breakfast, something big. But she was stuck with this guy who thought it was socially acceptable to hang out after a one-night stand. Britt didn't have any experience with a one-nighter except that time in college with the one guy in her women's studies class, the one with the tattoo of a hard drive motherboard on his chest. That hadn't ended well but for sure he had at least had the courtesy to leave her dorm immediately afterward. Were they supposed to have breakfast together? Bond in some way? She had work. He had...probably the unemployment line or guitar practice or something. Mainly, she needed head-space to get ready for her day and try to forget what she'd done the night before, namely some guitarist whose last name was a mystery better left unsolved. The guy was HOT! But she knew she would never see him again. Or would she?

When a struggling housekeeper lands a job working for a handsome, playboy billionaire, things take an unexpected turn. She's offered a job assignment she can't say no to because it's such easy money. All she has to do is fake an engagement for some quick cash. How hard can that possibly be? But sometimes, things

Mabel "Maybe" Willis died a virgin at the very young age of twenty-four. She leaves behind her parents, Betty and Bruce, her brother, Evan, a laptop filled with one too many Jason Momoa memes, and a Kindle library with more books than one human being could ever finish in a lifetime. Cause of death: a text message. Okay. So, I didn't die. But I may as well have. One minute, I'm a woman trying to find her way in the world, and the next, I'm the sender of six of the most embarrassing text messages that have ever been sent in the history of time- or the cell phone. Whatever. We're talking code red, send a flipping mayday, the apocalypse is coming kind of texts. And I didn't just send them to some random person I'll never see again. No. That would be too easy. I sent them to Milo Ives. The man who played a starring role in all of my teenage fantasies- and my brother's lifelong best friend. And, boy oh boy, has he grown up. He's hard-bodied, blue-eyed, jawline-of-stone handsome, crazy successful, and has more money in his bank account than my brain can fathom. Deflower me, please? I said. Yeah. Send help.

My new boss has it all. In spades. Gorgeous green eyes? Check. Hard-and-sexy body? Check. Intelligence? Check. Success? A big fat billionaire... Check. Too bad I haven't started out on the best foot. My big mouth has already turned him against me, and tempting good looks and success aside, Trent Turner is no peach either. He's stubborn and thick-headed, and son of a fruitcake, he

thinks he knows everything there is to know about the hotel business. With him running the development of the new Vanderturn New Orleans Hotel and me doing the design, our work relationship is far too intimate for two people who absolutely despise one another. But that's not all. See, he isn't just my billionaire boss from hell. He's my new neighbor, too. Same city. Same building. Same floor. Trent Turner is my billionaire boss next door. Holy moly, let's hope my career-and hormones-can survive. Disclaimer: If you generally love to suffer, hate fun of any kind, and are allergic to laughter, this book is not for you.

LUNA: I may have lied on my resumé. Just a little bit. I mean, everyone does it, right? And who needs a degree to be a personal assistant, anyway? Besides, I'm desperate. Being the legal guardian of my 17-year-old brother is challenging enough, but with this lymphoma diagnosis? Let's just say I'm almost at my breaking point. So, yeah. I fudged a bit. Turns out, I'm really good at my job, even if my boss is cold and harsh. And sexy. And gorgeous. And mesmerizing. Oh, yeah, and did I mention sexy? Get it together, woman! I need this job, so absolutely nothing can come of my little crush. Not that he looks at me in that way at all. Though sometimes I wonder... DECLAN: What was I thinking, hiring little Luna? She came in for an interview and I swear I hardly heard a word she said. All I could focus on were her eyes. And her lips. And curves. And how she was so small I could put her in my pocket and carry her around and protect her from every bad thing. But I'm not that guy. Never will be. I regret hiring her as soon as she

shows up for her first day on the job, but I can't fire her thanks to the board breathing down my neck. Luna is all bright colors and smiles, whereas I'm more of the monotone, growly type. I shouldn't want her. I shouldn't think about the curve of her lips or the way she smells like oranges and vanilla. I shouldn't even be considering making a move. But one phone call changes everything. BOSS ME FOREVER is the first book in the BOSS ME series. Each book can be read as a standalone. Luna is colorful, sassy, and just what Declan needs, though he doesn't know it. As with all of my books, there's no cheating, plenty of steamy Kindle melting action, and a guaranteed HEA! This book has an OTT alpha, a quirky heroine, spicy love scenes, and enough sweetness to give you a cavity. If that's your thing, this is the book for you! \*\*Mature content. 18+ only, please!

sessions, three times a week. But just who is seducing who? Kaley Laine has always been intimidated by the billionaire partners of the Pyre and Rockwell law firm, so when she's invited along for a private limo ride with the her two gorgeous bosses, she's not sure how to say no. Not that either of these men are used to taking 'no' for an answer... When rush hour traffic leads to a gridlock, things quickly get steamy as the two men turn their attentions to their captive (and willing) prey... all while the downtown crowd looks on. Warning: This 6,300-word story contains exhibitionism, public sex, double penetration, multiple partners, voyeurism, and two gorgeous billionaire bosses. Excerpt: "Why don't you take a look out the sunroof and tell us how bad the traffic is?" Mr. Rockwell suggested. The hair stood up on the back of my neck. Looking out the sunroof while they stayed down below put me in a strangely vulnerable spot. They would be able to see me, but I wouldn't see them. "Oh, I don't-" I stammered. Mr. Rockwell leaned forward and gently put his hand on my knee. I gulped. The warmth of his palm tingled up my leg to my nether regions. "Go ahead. Tell us what you see." "Well... okay." I handed Mr. Pyre my glass and quirked an eyebrow at the two of them. "But someone better hold my legs to keep me from falling." I flashed a playful smile. Maybe it was the gin, or the fact that I'd told them off earlier, but I was starting to feel a spark of confidence around them. It felt good to tease these two powerful, normally-untouchable men... even if it was a bit unprofessional. After all, it's not very often a girl finds herself sharing a private limousine with her two gorgeous young bosses in downtown Manhattan! I grabbed the lip of the sunroof and hoisted myself up through the opening. The cold New York air wafted over me. "Yikes, wow!" I shivered and laughed. Traffic stretched in every direction. People crowded the sidewalks. "Oh yeah, we're in a nasty gridlock," I stretched upward, standing on my tiptoes to

get a better look over the sea of taxicabs and pedestrians. "It looks like we'll be stuck here a while. Do you think we should call ahead? We might be -whoaAHH!" I sucked in my breath and clapped a hand to my mouth to keep from crying out. Something had slipped between my legs and was running up my skirt. Fingers traced up the insides of my thighs, gliding across the smooth skin at the base of my legs. They danced up and down along my panty lines. "What the- what are you...?" I stole a glance downward, but the tight confines of the sunroof and my own billowing hair made it impossible to tell whose hands they were. "Keep talking, Kaley. Tell us what you see," said a gravelly voice from below. "What I... see?" Not only was I flustered, I was starting to get turned on. I felt my stomach flipping with excitement, and I realized that part of me didn't want them to stop. The hands continued to explore, brushing across my sensitive skin as they travelled around and around. It was incredibly distracting, the way it tickled my flesh and made me blush. I tried to keep my cool. My head was swimming. We were still several car lengths back from the nearest intersection, but people on foot were slowing as they passed to eye me curiously. I could feel sweat forming on my brow despite the cold air, and I knew my face was flushed a deep red. I wondered if any of them guessed what was happening behind the tinted windows. The thought was strangely thrilling, and I felt an unexpected wave of arousal course through my veins.

Dan McKnight, Megan's boss, insisted that she pretend to be his lover! He wanted to convince a young girl with an obsessive crush on him that he was in love with someone else.... But, after sharing a room--and a bed--Dan and Megan suddenly became overwhelmingly attracted to each other! In fact, they were so convincing as lovers they'd even made mad, passionate love. The problem was their pretense was supposed to stop the moment they were back at work....

Kyle Bennett was born with a silver spoon in his oh so sexy mouth. And he's completely unapologetic about it. He likes the finer things in life and he's used to getting whatever he wants whenever he wants it. Widowed with a son, he feels completely unqualified to raise him alone. He's forced to face the fact that he's a little too much like his dear old dad...i.e. Bury yourself in work and let the nannies take care of the rest. Until fate steps in and forces him to a dead stop. The beautiful and sexy nurse, Ella Palmer, is happy to point out all of the ways in which he falls short. This only makes him want her more. Ella Palmer grew up on the wrong side of the tracks. She has had to work hard for everything she has ever gotten. Nothing has been given to her and she believes that nothing is for free.... There are always strings attached. And there are definitely strings attached to Kyle Bennett. Caring for his motherless six-year-old is a piece of cake. Taking care of the sexy billionaire father and not jumping his bones...not so much. As Ella's resistance wears down the sexual tension sparking between them ramps up. Book 1 - The Billionaire's Assistant Book 2 - The Billionaire's Proposal Book 3 - The Billionaire's Temptation My name is Abigail Wilder. PR maven extraordinaire. A credit to her industry. A savior to her clients. A razor-tongued blessing to those who employed her, and a curse to those who stood in her way. (This was all printed on my business cards. In so many words.) But to him, my biggest client, I was Abby. And to me, he was Nick. Nick keeps me busy with all his stunts and playboy ways. He gets in trouble and it's my job to bail him out and make everything shine in a positive light. He's a pain in my ass! Far too wild for my taste. And now the board wants to keep him on a leash until their big merger goes through. They want me to find him a girlfriend. Get someone to tame Nick? Yeah, right. Damn, do I have my hands full. I wanted to give Nick my standard speech. The 'fame is a fickle friend' speech, and tell him to keep his damn head down for once. But such speeches had never really worked on Nick. And to be honest, he was right. The press did love him. They always had. They probably always would. He was their dream—a man who knew no limits. No boundaries. Every page—an open book. Over the years, he'd become something of a folk hero. The crown prince of mayhem who couldn't be tamed. A source of constant entertainment and levity for the masses. But even by celebrity standards, Nick was a rare breed. Because beneath that careless playboy persona, beneath all the money, and mischief, and that unquenchable sense of adventure...he had a genuinely good heart. It was this 'good heart' his father's company had hired me to

promote. To protect. To shine a spotlight on all the good things—half to highlight them, half to keep that same spotlight off everything bad. By protecting his image, I was protecting their shareholders, and thus—doing my not inconsiderable part to contribute to the massive global conglomeration that was his father's company. The Hunter Corporation. The family's crowning achievement. It's a tough job, but somebody has to keep the gorgeous billionaire in check. And I guess that job belongs to me.

Four bossy billionaires have met their matches in these four steamy sweet interconnected romances. This collection includes the books of Gia's Billionaire Boy's Club series in one volume. She's Mine - Angel The first thing I learned about West St. Vincent, was the size of protection he used. Extra extra large, if you're curious. I also learned that he usually dated willowy blondes with a surgery face, vapid expressions, and a vomit-worthy tendency to simper at his feet. My name is Angel DeMarco, and I've never simpered. A simple fact that's about to get me in a whole lot of trouble. Already His - Mial'm the good girl. I work hard, go home for lunch on Sunday, and never, ever forget myself in the back of a town car with a taciturn billionaire lawyer who just happens to be the best man to my maid of honor. Yep, that didn't happen, and even if it did... it doesn't matter, because I've got an arranged date to focus on and a job measuring inseams to get back to. So what if Elliot Winter is the hottest, bossiest alpha male to cross my path in forever. I'm the good girl...right? Bought and Paid For - Jack They call me the blue-collar billionaire, a self-made man who hates people... they might be right. But when I see Clara, I don't care about any of that. I have to have her, even if it means bidding on her at auction. She's blue-blood and refinement, manners and poise, and when she says we are from different worlds, I don't care. Clara is everything I want. No one sees the real her as I do. I want to worship and adore
